About Healthy Families Florida

HealthyFamilies Florida is a free, voluntary home-visiting program funded through the Ounce of Prevention Fund of Florida and the Florida MIECHV initiative. Trained parent educators meet with expectant and new parents in their homes, offering practical guidance, links to community resources, and support that strengthens families and prevents child abuse.

What We Do:

- Encourage parents & celebrate every victory
- Explain child growth so milestones don't feel like mysteries
- Share fun, age-appropriate activities that build brains
- Connect families to resources like medical care, housing & food support
- Host a monthly Circle of Parents gathering for social connections amongst families enrolled
- Help make homes safer for little explorers
- Certified breast-feeding consultants available
- Developmental Screenings for each milestone
- Empower parents to set—and reach—goals for their future
